## Automatic Payment (Auto Pay) Agreement

Synergy Gymnastic Academy debits all customer accounts for tuition. Tuition will be debited on the first of each session. Our point of sale/auto pay is processed through Bank of America. Synergy does not retain any credit card information on an of our customers.

Agreement:

- Synergy Gymnastics Academy tuition debit is a continuous payment plan, and tuition is due every 4 weeks. (exception - team is monthly)
- Tuition will be debited with the card I have on file on the first day of each session.
- Students are continuously enrolled in each session.
- Students wishing to withdrawal from class must do so 1 week prior to the start of a new session in writing.
- Failure to withdrawal 1 week prior to the start if a new session will result in the next session being charged to the card on file. I am responsible for tuition regardless of whether my child attends class in each session until notification of withdrawal is received in writing 1 week prior to the new session. Refunds will not be issued.
- Should any debit be declined by my bank/credit card company for any reason, I am still responsible for the payment plus a late fee of \$25 will be added to account.
- If my student changes classes and there is a cost change, auto pay will be adjusted accordingly.
- Annual Registration fees will also be charged to the card on file as they are due.
